

July 2021 Newsletter

We accept students into classes all summer long!

JULY TUITION - IS DUE this week! A \$10 late fee will be added to all accounts not paid in full by **Monday, July 5th**. Additional fees will be added each week that fees are not paid. Thank you for paying on time!

WATCH WEEK: Summer watch week will be during the last week of classes: **August 23-26th**. Only 2 people may watch a class per family, not per student. All others will need to wait in the waiting room or outside. Absolutely no food or drinks are allowed in the dance room except for water in enclosed bottles.

DANCE TEAM TRYOUTS: Tryouts for all teams will be the week of August 29th! If you're interested in being on one of our teams, including hip hop, please check out the team pages on our website for all the details. The schedule will be coming soon and will also be posted on the main team page. Tell your friends! We're always looking for potential team members for our platinum award winning teams!

FALL CLASSES: Will begin on **September 13th**! Summer students will be given early registration forms beginning on August 1st. Online registration will be open for everyone on August 15th. A few classes, particularly all the 2-5 classes, most of the tumbling classes and the hip hop classes fill very quickly so register early if you're interested in any of these classes!

WATER BOTTLES: Please send water in closed bottles for your students. They do work hard and will get thirsty quickly especially those that are there for at least an hour. Gatorade/Propel is also acceptable but no soda, milk or coffee products. We do have cold water bottles for sale in the studio for \$.25 each.

INFORMATION: We relay all information to families by these monthly newsletters (which are emailed as well as available in the studio), on our website, on our FaceBook page, on the white board in the studio and by our texting service. Information is always easily available but if you have further questions, please be sure to ask! We truly want all our families informed!

PARKING LOT: Our lease states that we agree to have our parents park in the middle of the lot and **not directly in front of the building**. If you are picking up or dropping off, we do want you pull up in front of the building for a couple minutes for the safety of your child. Traffic does tend to go through the lot very quickly.

Our website, SaraKatesDanceStudio.com, has all the necessary information that you could ever need and is updated frequently.
