

June 2019 Newsletter

Summer Classes Start Sunday, June 2nd!

We accept students into classes all summer so if you're busy now, you're welcome to join a class later, at least until it's full!

WELCOME! We have a few new students registered for summer classes! We're so glad you're here! To our returning students, Welcome Back! We hope you enjoyed your break! If you see some new faces around here, be sure to welcome them!

JUNE TUITION - IS DUE this first week back in classes. A \$10 late fee will be added to all accounts not paid in full by Thursday, June 6th. Additional fees will be added each week that fees are not paid. Thank you for paying on time!

CLASS ATTIRE: Students should wear comfortable clothes that they can move in easily. No jeans, jean shorts, jean skirts, jeggings etc. Hair must be pulled up away from faces. No jewelry is to be worn. Shoes should be appropriate for the classes attending. Our tumblers practice in bare feet.

FOOD ALLERGIES/ISSUES: If your student has problems with food, please let us know as we will tend to give small treats and sometimes popsicles to our students.

WATER BOTTLES: Please send water in closed bottles for your students. They do work hard and will get thirsty quickly especially those that are there for at least an hour. Gatorade/Propel is also acceptable but no soda, milk or coffee products.

WATCHING: We don't let parents/relatives watch classes as we've found that it distracts the students so they don't learn, even the older ones! We will have one watch week at the end of the summer session when only 2 people may come in and watch what your students have learned. Watch the calendar or white board in the studio for dates.

INFORMATION: We relay all information to families by these monthly newsletters (which are emailed as well as available in the studio), on our website, on our FaceBook page, on the white board in the studio and by our texting service. Information is always easily available but if you have further questions, please be sure to ask! We truly want all our families informed!

PARKING LOT: Our lease states that we agree to have our parents park in the middle of the lot and not directly in front of the building. If you are picking up or dropping off, we do want you pull up in front of the building for a couple minutes for the safety of your child. Traffic does tend to go through the lot very quickly.

Our website, SaraKatesDanceStudio.com, has all the necessary information that you could ever need and is updated frequently.
